

Affirmations
for In-person Meeting House Use
For 11 O'clock Worship

Welcome to Eugene Friends Meeting. In 2020 we suspended meeting in-person due to the Covid-19 pandemic. As the pandemic abates, our Quaker Community is gathering in-person, using protocols that are in line with the larger community effort; science-based and spirit led.

Entering the building or grounds affirms that you agree to act in unity with these protocols.

In brief:

Upon entering EFM building or grounds, I affirm that I am healthy, have no symptoms of COVID 19 and have been without fever for at least 72 hours.

While in the meeting house I agree that I will:

- o Maintain physical distancing of at least 6 feet
- o Wear appropriate face covering
- o Bring a personal water bottle (if needed)
- o Refrain from eating or singing

If you cannot affirm the above, then please join us virtually at 9 o'clock or 11 o'clock via Zoom.

Considerations:

Please **do not attend in-person** if you:

- Within the **past 14 days** have had **unprotected close contact** with anyone
- who has Covid-19 signs or symptoms (*unless you are fully vaccinated*)

- Within the **past 3 days** have **experienced signs or symptoms of Covid-19**

- Signs and symptoms include:

Fever	Shortness of breath	General weakness
Sore throat	Runny nose	Nasal congestion
Nausea, vomiting	Diarrhea	Dry Cough
Loss of smell or taste	Muscle aches	Dizziness
Chills	Headache
