

January 9: New Year's Art or Assemblage

1. Think about a New Year's wish for your self, for someone else, or for the planet.
2. Gather paper, cardboard, oil pastels, white glue, and household stuff (ribbons, yarn, playing cards, magazines, buttons, bottle caps, jewelry...).

3. Create a drawing or an assemblage to express your wish!

"Finding order within the chaos"

"A wish for water and the wonder of God"
