Friends General Conference Gathering coming to Oregon July 2023!

Friends General Conference Gathering is a week of Quaker worship, workshops, and community for Friends of all ages and backgrounds. The Gathering brings together 1000+ Friends from across the US, Canada and beyond to deepen our connections to one another and the Spirit. It is imbued with FGC's commitment to [becoming an anti-racist faith organization](#).

The 2023 Gathering will be held at Western Oregon University in Monmouth, not far from Salem, **July 2 - July 8, 2023**. It takes a village to put on each specific Gathering, in partnership with an amazing staff and other FGC committees. That "village" is the 2023 Gathering Committee, to which we are inviting YOU!

Would you prayerfully consider joining the 2023 FGC Gathering Committee?

We are committed to having fun and deepening spiritually while doing this good work. It is a chance to develop ourselves, our faith and Quakerism for the common good. In hopes that you feel led to serve Friends in this particular way, please fill out [the Gathering Committee Interest Form](#).

In the Love and in the Light,
