Giving Gateway

2022-2023 Building the Giving Gateway

## Eloheh Indigenous Center for Earth Justice

In 2022-2023, Eugene Friends Meeting began developing a Giving Gateway relationship with Eloheh Indigenous Center for Earth Justice.

- A Eugene Friends Meeting liaison has convened a Becoming Rooted reading group each year since the book was published in January 2022. The book is 100 readings that are read on the 100 days preceding Earth Day. The discussions take place via zoom on Tuesday of each week.
- A group from Eugene Friends Meeting attended an Eloheh work party in April of 2023 in celebration of Earth Day.
- A Eugene Friends Meeting fundraiser purchased most of the mattresses needed to completely furnish the bunk room in the newly built Agricultural and Learning Center.

We look forward to deepening our relationship with Eloheh Indigenous Center for Earth Justice in 2024 and beyond.
